

GAME DAY RULES

1. All players shall arrive and check-in at least 15 minutes prior to the first tee time. The first tee time for each group is shown on the Tuesday Schedule Website. It is also shown on the notification each player received when they sign up via the web-site.
2. The Coordinator has the option of assigning pairings prior to the Play Day or do Random Pairings on the day of play.
 - If no pairings are done in advance, the 15 minutes prior to the first tee time, the Coordinator will conduct a random draw for pairings for the players who are in attendance. The random drawing will be a draw of the coordinator's choice (e.g. draw numbers, random pull of players balls from a hat) to determine pairings. Players who have not arrive for the random draw, will in the final group or wherever the Coordinator can fit them in.
 - If the Coordinator has assigned pairings in advance, do not request to play with a different player or group. If you wish to playing in a different pairing negotiation directly with a player in the group you wish to play with, not with the Coordinator.
3. Full USGA Course Handicaps will be used. The USGA maximum Handicap Index is 54, which equates to the following course handicaps

	<u>Mt. View</u>	<u>Stony Lick</u>
18 Holes =	53	39
Front 9 =`	26	21
Back 9 =	27	18

4. Handicaps used for Tuesday play will be the handicaps as of the 1st and 15th of each month.
5. All play shall be conducted using USGA Rules. Players cannot decide among themselves not to count penalties nor to break rules they are aware of.
6. The drop areas on MV holes 3 and 9 can be used after you put 2 balls in the water.
 - On MV, you will be lying 4 and hitting your 5th shot from the drop zone. At your option you can forget even hitting over the water and go directly to the drop area and you will still be hitting your 5th shot.
 - For the game, your score for the hole will be your actual score based on using the drop area.
 - For posting into GHIN, the score must be Par + Your Handicap Stroke(s) for the Hole. Instructions are available at the end of these rules for how to determine your handicap stroke(s) for each hole.
7. All scorecards must have 2 signatures, include the total gross score and total putts and be turned in the envelope for the Tuesday Game on the bulletin board by the Pro Shop by 1:30. **Cards turned in after 1:30 will be counted as withdrawals.**
